FOOD PACKAGING

Product Brochure

SUNKEA

www.sunkea.com

16 YEARS

To provide a comprehensive range
of innovative food packaging solutions
to customers around the world, working
to exacting manufacturing standards
in terms of quality, health and safety, hygiene,
customer service and the environment.

Sunkea, who is a global fooding manufacturer, aims to provide high-level food packaging products.

FOUNDED IN 2005

Sunkea was established in 2005, 16 years on the market, making us more mature and professional. With the focuses on the quality of the products push us to continuously complete the national & international certifications like ISO 22000, FSC, SGS,FDA, ect.

Sunkea began from Shanghai, one of the main gastronomy, tourism & business destinations in the world.

As business success grow, we established Shanghai Factory in 2016 and Guangzhou Domestic warehouse in 2017 to meet clients' requirement.

2019, we opened a branch office in Hefei, one of first-tier city in Anhui province China

We started in a small apartment by our CEO Mr. Tony Hong. 2005, we created the first brand "SUNKEA" for exportation business and second one "51cup" for domestic market. Both of them are trusted brand.

2020, our new factory is located in Anhui province. It not only can supply various food packaging to our clients, also can develop our Hefei branch sales team. Until now, we have more than 260 employees.

SUNKEA

Now, let me introduce our new factory in Anhui province. It covers an area of around 30,000 square meters with 150 workers. We owned over 70 sets automatic equipments at the advanced dust-free workshops and for producing paper products including salad bowl, lunch box, deli box, soup tub, paper lid, paper straw etc.

Specific and professional departments like design, sales, production.. Design team make sure the artworks, printing would follow up client's intention, also they can offer professional suggestion for you.

Through 16 years of efforts and development, we exported over 110 countries and regions, also ship 150 containers per month.

Sunkea has been actively expanded the international market, mainly focusing on the Europe & America areas, also keeping the exploration of more oppotunities and cooperations.

Sunkea closely following the trend of the disposable catering and packaging industry, with the awareness of the environmental protection, food hygiene and safety. We also highly value the concepts. Therefore, we start to provide the Compostable & Biodegradable series like bamboo fibre, sugarcane and kraft materials.

Comprehensive utilization of straw

Food Grade Compostable

Compostable & Biodegradable

Sunkea's vision is " Provide one-stop quality service for global food packaging customers".
In the future, Sunkea will continue to develop production abilities and offer more environmental disposable food & beverage packages.

Sunkea innovates and develops straw source pulp products.

Its strength index is comparable to that of hardwood pulp. A series of paper products such as food packaging were developed. At present, the products are widely recognized by the market due to their distinctive environmental protection and health characteristics, and are sold well in China and abroad.
